

File of Life Paper Decals (For the front door and refrigerator door)

Instructions

1. Print these decals on a color printer, if possible, to enhance visibility.
2. Determine the location on the front and refrigerator doors and select the size(s) you will use. (suggest location immediately above door handles)
3. Cut appropriately sized decal decals from this page.
4. Pull and cut off a 1.25" to 2" long piece (depending on decal size) of common 2" clear shipping tape.
5. Trim size to provide a .25-inch border around the decal.
6. Very lightly moisten the back of the decal and stick the decal on the selected location.
7. Position the tape over the decal and smooth it onto the door's surface.

One-inch (1.0") square decal.

One-and-a-quarter-inch (1.25") square decal

One-and-a-half-inch square (1.5") decal
